## REPORT OF DIRECTOR AND SCHOOL IMPROVEMENT COUNCIL

BJ Skelton has served the high school students of Pickens County since 1965. Students from Daniel, Easley, Liberty, and Pickens High Schools attend the career center as part of their regularly scheduled classes in grades 9 through 12. During the 2009-2010 school year we served 1050 students.

The faculty, staff, parents and community stakeholders at BJ Skelton Career Center are Committed to Excellence. The career center is accredited by the Southern Association of Colleges and Schools. We have identified goals aligned with the Technology Centers That Work school improvement initiatives in order to focus on continuous improvement. Action plans have been developed to address the TCTW goals which are also aligned with our accreditation goals.

Our Project Lead the Way program continues to grow with the addition of the Biomedical Sciences program. This year, we added coursework in Human Body Systems. Next year, we will add Medical Interventions which is the third course in the progression.

Students at the career center continue to demonstrate their skill and leadership proficiencies through competitions and selections for state offices in their student professional organizations. Ten students participated in the National Skills USA Events in Kansas City Missouri.

We continue to meet accountability goals established by the SC Department of Education and Education Oversight Committee. The four main goals include:

- Skill proficiency in academic studies
- Skill proficiency in technical studies
- Student attainment of a high school diploma
- Placement in post-secondary institution, military service, or employment

The citizens of Pickens County can be proud of the students and staff at BJ Skelton Career Center and can look forward to the future with confidence.

Dr. Steward Baylor serves as our School Advisory Committee chair
